Applications for a golf cart permit shall be made to the Police Department on this application form for each permit year. The fee for such permit shall be \$25.00 for each permit year.

Prior to the issuance of a golf cart permit for each permit year, the golf cart shall pass an inspection by the Town Police Department. At the time of the inspection, the golf cart owner shall provide proof of financial responsibility.

All golf carts shall have all the following minimum safety equipment installed on or affixed to the golf cart at all times while the golf cart is in operation: (i) two operating headlights (one on each side of the front of the golf cart), (ii) two operating tail lights with brake lights (one on each side of the back of the golf cart), (iii) turn signals (one on each side of the front and back of the golf cart), (iv) a rearview mirror, (v) a slow-moving vehicle sign that complies with Indiana Code 9-21-9-2, as amended, (vi) brakes that comply with Indiana Code 9-19-3-1, as amended, and (vii) seat belts installed for each designated seating position.

Upon issuance of a golf cart permit, the golf cart owner will be issued a registration form and decal with the registration year. The registration form and proof of financial responsibility shall be available for review at all times while the golf cart is being operated.

The decal shall be placed on the left rear of the golf cart so as to be visible at all times from the rear of the golf cart.
